The 16th New Zealand Venture is being held between 30 December 2025 and 9 January 2026. This will be based in Wellington, with activities being run in Marlborough through to Manawatu and Taranaki. Venture is held every 3rd year and is a youth development activity designed for the 14 to 19 year old age group within Scouting and similar organisations. The Venture is offered only by SCOUTS Aotearoa.

It is anticipated that between 900 and 1,000 youth and adult leaders will attend. As well as New Zealand youth, there will be a large contingent from Australia, and possibly, representatives from many other countries involved in Scouting.

The basic fee to attend this venture is \$865.00 per person (GST incl.) and the breakdown of this fee is as follows:

At the beginning of the Venture the attendees participate in a five day expedition of their choice. There are twenty seven to choose from and the fee ranges from \$300 to \$1300 (GST incl.) depending on the activity chosen.
